

Safety Council

of Palm Beach County, Inc.

Dear Friend of the Safety Council:

The Safety Council is proud to be celebrating forty-three years of serving South Florida. We are preparing for our **Thirteenth Annual Safety Awards & Auction** on March 11th, 2010 at the Palm Beach Airport Hilton. During this program, we recognize businesses that have outstanding safety programs and we also raise money for the Council's community programs. Please help us with a gift donation. Your continued generosity helps sustain our community services

Our **community programs** include: our **Child Saver program** that provides low cost child safety seats to organizations and individuals in financial need. Child safety seats are paramount in our efforts to make our area a safe place to live. Most parents install car seats incorrectly. We have a staff technician available to help them learn how to install their car seat safely.

Our **Behind the Wheel Driver Education** course is available free for teens that take Drivers Education at their high school. Since its inception in 1999, we have trained over 19,000 students at no charge. Brand new teen drivers get real on the road lessons –beginning on residential roads and progressing to I-95. As you can imagine, rising costs of fuel have made this course even more expensive to operate. We need community support to sustain this crucial life saving course!

We also provide **Bike Helmets** for needy children throughout the year, often partnering with other organizations.

We would be so grateful if you would **donate a gift certificate or gift** towards our Awards/Auction program. We are enclosing a copy of our not-for-profit 501 (C) (3) certificate on the back of this letter. Your company name will be featured in our showcase display, and in our program. Your gift is a visual example of your quality merchandise or service.

We can arrange to pick up your donated item if this is more convenient for you. Please contact Zondra Hunter at 561-845-8233 Ext. 12 if you have any questions. We appreciate your continued involvement and generosity towards our efforts to make South Florida a safe community for everyone!

Sincerely,

Toni Burrows
